

NHRG Pre Program

Here is a not quite complete list of things that will be going on during the RG (at least Saturday), still to be updated with music room info, crafts room info, a couple of additional tournaments and probably a few other things that I am not remembering at the moment (and no, it has nothing to do with the fact that I'm in my 60s now!)

Once the program has gone to print we will post it here, but in the meantime I thought you might like a preview.
